Frank Knapp, Jr. hereby petitions the Public Service Commission of South Carolina ("Commission"), pursuant to 26 S.C. Reg. 103-836 and other applicable rules and regulations of the Commission for permission to intervene in the above-captioned docket. In support of this Petition, Mr. Knapp would show the following:

5. As a commercial customer my intervention will aid the Commission by assisting in the development of a full and fair record to address the issues raised in this proceeding. I have a direct and material interest in the issues to be addressed and resolved

by the Commission in this docket and my interests are not adequately represented by the current parties to this proceeding.

6. I am informed and believe that granting my request to be made a party of record in the above-captioned proceeding is in the public interest, is consistent with the policies of the Commission in encouraging maximum public participation in the issues before it, and should be allowed so that a full and complete record addressing the views and concerns of myself can be developed.

WHEREFORE, I pray for the following relief:

A. That this petition to intervene be granted by the Commission and that I be made a formal party of record to the proceeding;

B. That I be allowed to participate fully in this proceeding and to take such positions as I deem advisable; and
